**SUBJ: EXPRESSION OF INTEREST IN SPONSORSHIP OF IDAHO EDITION OF
HASBRO'S MONOPOLY GAME**

The Idaho / E. Oregon Lions Sight and Hearing Foundation (S&H Foundation) is pleased to announce that it is pursuing an Idaho Edition of the Hasbro's "Monopoly" Board Game and is looking for sponsorship. The Idaho / E. Oregon Lions Sight and Hearing Foundation is a Non Profit Charitable Organization and is a 501(c)(3) organization as defined by the Internal Revenue Service (IRS) . A recent determination letter by the IRS will be furnished upon request.

The board game "Monopoly" is one of the most popular board games ever and is found in just about every home in the state of Idaho and throughout the world. The Idaho Edition of Monopoly will be in individual's homes and as collector's items for 20+ years with many family and friends that will play the game. This will allow the sponsors to receive favorable viewing and association with an organization that is performing great works in the community for many years to come. The S&H Foundation is looking at producing a minimum of 10,000 game boards with distribution and sales throughout the state of Idaho and through sales on the Internet to collectors throughout the world.

RESPONSE TO SPONSORSHIP DUE NO LATER THAN JANUARY 31, 2006

The purpose of the S&H Foundation involvement in the Idaho Edition of Monopoly Board Game is as a fundraiser to purchase a permanent location for the Idaho Lions Eye Bank (cost of \$175,000 plus an addition \$30,000 in equipment and modifications to the building) and to support other activities of the foundation in the pursuit of its mission and goals in sight and hearing conservation and community service (see attached information sheet on the S&H Foundation and its needs). The Idaho Lions Eye Bank has been greatly sponsored in the past by Saint Alphonsus Medical Center in Boise. In the past ten years, the Idaho Lions Eye Bank has

moved locations three times. With a permanent location, there will be no disruption of this vital sight restoring service to the community.

Please share this information with your association members. Sponsorship of the Idaho Edition of Monopoly can come in many different forms (see attached information sheet). An organization can bid on placement of its logo on Boardwalk or Park Place through a silent auction or place an initial high bid to display your logo on the game boards back wrap or game box bottom or other options as outlined in the attached information sheet. In addition, we are looking for suggestions of what historical people, events and places should go on the game board. We will be taking pre orders starting in April with a discounted rate for organizations with a Resellers permit.

Of note, there will be a silent auction for placement on the game board in place of the Boardwalk and Park Place properties. A \$25 entrance fee will be required to be able to bid in the silent auction with an opening bid submitted by January 27, 2006. The silent auction will start use a web site that will be only divulged to organizations that have provided the required entrance fee. The highest bidder will be on Boardwalk and the second highest bidder on Park Place.
