2008-2009

Governor's Message

Lions of District 39-E I have had a busy month in August. We have traveled to The West Jefferson Club to install the new club officers. To the Rigby Club to present to them the last years scrapbook award, and to present to their club the quilt one of their club members won in the drawing for the Chrome in the Dom event at the Holt Arena. Congratulations to Rigby Club.

Then we kicked off the Eastern Idaho State Fair on the 30th of August in the Blackfoot Parade. It was a very successful representation of the District in the Parade. Thanks to all who participated, as it was a last minute thing that we were able to get into the parade as we didn't have a trailer and then we did. Great job to the Hale's and to Bonnie Stoddard for getting it put together. We have the unit scheduled for Idaho Falls,

Shelly, Salmon, Challis, and Leadore. We thank all who have helped and will help on the next steps the unit makes. Special thanks to Bonnie Stoddard for spearheading the MSU unit.

Lions as I have made the trip to clubs some have passed the hat around and we have collected money for the Ret Cam. It was very successful at Rigby Club when a non member of Lions asked me if anyone could donate. I responded yes and he said that he would like to contribute. This has led us to approach the Idaho State Journal to run an article in their paper telling about the Ret Camp and to ask the public to donate to the cause. We hope that this will give us some monies toward this project. Donations can be made at any "Bank of Idaho" location to the Lions Ret Cam account.

On September 6th we will be meeting to work on rewriting the Multiple District 39 Constitution By Laws. Following that meeting our district will meet to rewrite the District 39-E Constitution By Laws will be rewritten.

In September we have the "ServiceNation Coalition – Day of Action on September 27, 2008. President Al Brandel has asked every Lion to take part in a Day of Action in promoting service.

Zone B will have a Zone meeting on September 9 in American Falls at 7:00 PM. Zone E will have a Zone meeting on September 19 at Ena Merrill's home.

Keep up the good work Lions. You do "Make a Difference through Lion Pride".

Yours in Lionism,
DG John Pack

LEO'S IN MD39: Did you know that Kuna, Meridian Noon, Payette Syringa, Gem , Idaho City & a few other Lion's Clubs have Leos's Clubs in the making.....all you wanted to know but were afraid to ask is in the Lionsclubs.org website under YOUTH.... one of the best investments you could make in your community.....get the fever and look into starting your LEO'S CLUB... We just installed and inducted the Centennial Job Corps Leos last week with over 30 new members the Leos, for the most part, ran the whole show and did the Boise Bench Lions proud , they already have done a Paint the Town project and have two more on tap.....these Leos are infectious with their enthusiasm> Contact MD/39W Leos Chair Lion Dana Miller for any questions... ..consider giving the kids in your community the opportunity for Leadership thru Community involvement....you will be much richer for your efforts....

PRESIDENT AL BRANDEL [coming to 39E Convention Jan 2....first time a sitting LCI willing be here in IDAHO]...to continue...President Al has declared September 27th as Community Activity Day....go on to LCI website and the info and details are under Calendar....try and fit it into your schedule...this is going to be big and it would be great to support our IP Visitor.....

October is Hunger Month in IDAHO.....Consider doing something special for your local Food Bank....that is what we do "We Serve"....did you know that 50,000 children in IDAHO go to bed hungry each nite...and we are #6 in America for Idahoans going hungry....NUMBER 6!!!!.... in my humble opinion this should be a year round project not just one month.....

The PEACE POSTER packets are now available...a terrific project to get our youth involved in....contact PCC BOB STORM for details or go to the LCI website for info. He is also the chair for our Patriotism Essay...watch for these details as well or contact Lion Bob.....

White Cane used to be a big fund raiser and an awareness/recognition for MD39 LIONSit's an easy project that generates high profile for LIONS...and richly deserving of our time and effort...it brings great attention to our Eye Bank and our activities as well as more money for preventable blindness and personal assistance for those in need....

Thanks for your efforts to make our communities better than we have found them....if not the LIONS...then who?....Remember " IT TAKES A LION PARDNER."

That great 21st century philosopher/poet air extraordinaire said {along with Nike of course...} JUST DO IT.....I believe he said if it is right and needed and for the good of the order than do not procrastinate...to paraphrase PDG Darrell ...let's get'er done!!!! have a great LION MONTH... and think new members...we need them to spread around the work load....EH? [also the acroynm for END HUNGER!!!!]
